

The Mom Song

Get up now, get up now, get up out of bed,
Wash your face, wash your teeth, comb your,
Here's your, here's your shoes
..... the words I said, get up now get up and make your bed

Are you hot? Are you cold? Are you?
Where's your books and your lunch, and your homework at?
Grab your coat and your gloves, and your
Don't forget! You gotta to the cat.

Eat your breakfast: the experts tell us it's the of all,
Take your so you will grow up one day to be .big and tall,
Please remember the will be seeing you at 3 today,
Don't forget your is this afternoon so you must play!

Don't, chew slowly but the bus is here
Be, come back here, did you wash behind your ears?
Play outside, don't be, would you just play
Be polite, make a friend, don't forget to,
....., wait your turn, never take a,
Get along, don't make me come down there
Clean your room, your clothes, put your away,
Make your bed, do it now! Do we have?

Were you born in a? Would you like some?
Can you even hear a word I say! Answer!
Answer the phone! the phone!
Don't sit so close, turn it down, no at the table
No more tonight
Your ipod's my ipod if you don't

Where are you going ? and with? and what time do you think you're coming home?
Saying « thank you » « please » « excuse me » makes you welcome everywhere you
You'll appreciate my some day when you're older and you're

Can't wait till you have a of little children of your
You'll thank me for the I gave you so
But right now, I'll thank you not to your eyes at me.

Close your mouth when you we'd appreciate,
Take a maybe two of the stuff you hate,
Use your fork do not or I'll you straight,
Eat the food I put upon your plate.

Get an « A », get the door, don't get with me,
Get a, get in here, I'll count to three!
Get a job, get a life, get a
Get a dose of ...
I don't care who started it !
You're until you're 36
Get your story and tell the truth for once for heaven's sake!
And if all your friends jumped off a, would you jump too?

If I've said it once I've said it at least a thousand times before that you're too old to act this way;
It must be your father's
Look at me when I'm talking, stand up when you walk;
A place for everything and everything must be in place.
Stop crying or I'll give you to cry about.

Wash your face, wash your teeth, get your on,
Get in bed, get a, say a prayer with Mom ;
Don't forget I you.

And tomorrow we will do this all again because a Mom's work never

You don't need the reason why because, because, because, because

I said so, I said so, I said so, I said so,

I'm the Mom, the MOM the MOM the MOM THE MOM

TA DA!!!
